VALLEY SCHOOL

CHARGING AND REMISSIONS POLICY

We make no charge for any activity at Valley School.

At the beginning of each school year parents are invited to make a voluntary contribution to the school fund. This helps to offset the cost of such things as cookery ingredients and trips out. We also ask parents for a voluntary contribution if children are taking part in a residential school journey.

For some additional activities e.g trampolining, the annual nursery summer day visit, parents are invited to contribute to the cost of the activity.

In each letter that parents receive where a contribution is requested, they are reassured that no pupil will be treated differently on the grounds that contributions have/have not been made on their behalf.

Costs incurred by the school where parents are unable to make a contribution are met through the school fund.

School Hours

Start: 9.00am

Finish: 3.10pm
